**For Parishes & Groups**

Why not bring your group on a guided retreat. We offer rest and refreshment for each individual as you share the spiritual journey with the community. There's opportunity for Biblical reflection, focussed and creative prayer as well as chance to join in the daily round of worship at the cathedral. There's space for pilgrimage in the locality, sight-seeing and tour of the cathedral. There's time for rest, fellowship and sharing as you receive hospitality from Tŷ'r Pererin, the Education & Pilgrimage Centre at St Davids Cathedral. Get in touch to begin your journey of inspiration.
